Also, I'll need to cancel the call on December 9th, but that shouldn't be a problem if we get to chat next week.

Hi Jen – We missed the call scheduled for today. I do have a few items to catch-up with you on and would propose we try to find 30 minutes next week to talk.

As a heads up, the items include:

- BPMD – in-kind services and the liability issue
- Lowry – Doug Benevento met with the CAG on Monday, Dec 13<sup>th</sup> meeting
- Capt Jack – Concern with turning off the WTP after fish found in Creek
- VB/I-70 – part of a HQ risk communication project under the SF Taskforce recommendations

Have a great Thanksgiving and I look forward to talking next week.
